

MARYLAND NATIONAL NEWS

===== AUGUST 2026 =====

August is National Golf Month!

Did you know the PGA first introduced National Golf Month in August 1993? The celebration was created to showcase golf as a welcoming, family-friendly sport that players of all ages, experience levels, and backgrounds can enjoy.

Over 30 years later, the spirit of National Golf Month remains the same — celebrating the game's ability to bring people together, encourage time outdoors, and provide a fun way to stay active while enjoying a little friendly competition.

Whether you've been playing for years or are curious about trying golf for the first time, August is the perfect time to get out on the course. New to the game? We'd love to help you get started! Practice facility buckets are available for just \$10, and 30-minute golf lessons are offered for only \$60.

Stop by Maryland National Golf Club, spend some time on our putting green, and experience why golf continues to be a favorite pastime for players of all generations. We look forward to welcoming you to the course!

Course Aerification

To maintain the exceptional course conditions our golfers have come to expect, our maintenance team will be dedicating extra time this month to caring for and rejuvenating our greens. Beginning August 18th, golfers may notice temporary changes as part of our aerification process, including slower green speeds and additional sand on the putting surfaces.

To thank you for your understanding while we complete this important work, discounted rates will be available during the aerification recovery period. We appreciate your patience and support as we continue investing in the long-term health and quality of our course.

Mon.-Thur. Rates:

\$74 before 2pm / \$55 after 2pm

Friday Rates:

\$89 before 2pm / \$59 after 2pm

Sat. & Sun. Rates:

\$94 before 2pm / \$79 2pm-4pm / \$59 after 4pm
